# Welcome

After what has been a very strange year for everyone and for us all at White Acres, we are now in full swing preparing for our 2021 season for a successful year ahead. We are hoping for things to go back to normal as soon as circumstances allow us, so we can give you the best possible fishing experience!

We are currently working hard on the fisheries plan for an exciting year ahead – look out for our latest angling updates on Facebook at 'White Acres Fisheries'.

The Parkdean Resorts Masters was a great success in October, and a dream come true for Bradley Hancock who took home the 2020 trophy – **see pages 4 & 5 for full details.**

Our 2020 festivals produced some tremendous results and already our 2021 festivals are booking fast – so book your place now and avoid disappointment. To secure your place you can call the Fisheries Team on 01726 862 519.

We look forward to seeing you this year.

# Brad Hancock wins the Parkdean Resorts Masters 2020

It was a dream come true for debutant Bradley Hancock as he carved his name in history, hoisted the 2020 Masters trophy, and pocketed a check for cool £25,000 with a brilliant display of angling amongst some serious competition.

Winning the Parkdean Masters is at the top of almost every UK match anglers wish list. Some of the biggest names in history have their names on the impressive trophy, and the battle for 2020 honours would be no different. The finals, taking place on the usual Jenny's lake at the Cornish complex, saw a line up that would strike fear into many anglers.

Covid regulations saw a change in qualification for the 2020 event with the winners from eight resident matches joining the top eight from both the Maver and Preston sell out festivals. It gave the event an FA Cup feel as minnows took on giants.

One of the lesser known names, specimen angler Brad Hancock from Sheffield, was in the mix. He'd qualified for the finals through the resident matches and fished the Preston festival coming home in the top 8 too.

Drawing un-fancied peg 35, a swim that has no track record whatsoever in the Masters finals, Brad opted to fish a pellet feeder with three dead red maggots on the hook. His aim was to catch anything that swam and the first hour was a slow start was just one F1 and a Carrassio gracing his net. For the next two hours though, indication started to increase, and he decided to stay on the feeder casting more regularly and introducing more bait.

Moving into slightly deeper water as the match wore on he managed some slightly larger carp and held onto his lead by the finest of margins to take the title. The scales recorded 57lbs 9oz, just one carp ahead of neighbour Ben Dale's 52lbs 6oz and left him stunned, not only with the win but also the £25k winners prize.

Six section winners also pocketed a cool £1,000 for their days work and the Parkdean Masters once again cemented its place in the hearts of the anglers present as one of the top events in the UK match angling scene.

The Parkdean Resorts Masters was featured on BT Sport. If you missed it or want to watch it again head over to [facebook.com/WhiteAcresFisheries](https://www.facebook.com/WhiteAcresFisheries) to see it.
